

Power of Choice

-  You take control of your life when you realize that you choose your future by choosing your actions.
-  You have the power to create your ideal future with the intentional choices that you make in the present.
-  You can't always control life's events, but you can always control your reaction to those events.
-  Wave around the Magic Torch of Destiny, and make intentional choices that will move you toward your goals.

Application Question/Activity:

- 1. Whenever you think "I have to," think again about the power of choice. Choose a new action, or choose a new attitude, but choose – and move forward intentionally.**

- 2. What actions or situations can you change by waving around the Magic Torch of Destiny?**

- 3. What actions can you take to move yourself toward your ideal life?**
